

Insurance for Film Production

We will be obtaining quotations for the following insurance covers:

1. FILM-ALL-RISK - an insurance package that is specially designed to cover risks associated with film & video production, such as Public Liability; damage to equipment, set, props, wardrobe; losses due to damage to equipment, extreme weather, burglary. Non-Appearance of key persons & drone shoots can be added to this cover.

2. GROUP PERSONAL ACCIDENT for work-related accidents (cast & crew) - reimburses medical expenses, pays out lump-sum benefit if the accident results in permanent disablement or death.
